

INTERNATIONAL SYMPOSIUM

INVITATION LETTER AATA 2020

“APPLICATION OF ADVANCED TECHNOLOGIES IN AGRICULTURE”

2nd – 3rd October, 2020 at Ho Chi Minh City, Vietnam

To: _____

On behalf of the organizing committee, I would like to invite you to the international symposium on “Application of Advanced Technologies in Agriculture” (AATA2020) which will be held on 2nd – 3rd October, 2020 in Ho Chi Minh City, Vietnam.

The objectives of this symposium are (i) to exchange, build and share development orientations and strategies, scientific and technological advances in the fields of plant technology, animal and aquatic animal husbandry, food and information technology and related others; (ii) to establish and build relationships between academic institutions and corporates to promote training & research activities for advanced agricultural technologies dissemination.

AATA2020 is co-organized by Van Hien University, Can Tho University and Okayama University aiming to provide a prestige platform for scientists, academicians, managers and enterprises to share research results and knowledge on the application of advanced technologies in agriculture, as well as to give strategic orientations for promoting the development of agricultural sector in Vietnam and the world.

Your participation and contribution to this symposium will promote the process of scientific integration and the agricultural development in Vietnam and the world.

For further information, please visit the symposium homepage at <http://aata2020.vhu.edu.vn>

For more details, please contact Dr. Dinh Thi Thuy – President of the scientific committee (Tel: 0989 827 798, email thuydt2@vhu.edu.vn) or Ms. Nguyen Phuong Loan – Secretary of the scientific committee (Tel: 0988 300 443, email loannp@vhu.edu.vn).

With kind regards,

Symposium Chairman

Assoc. Prof. Dr. Nguyen Minh Duc

Chairman of Education and Research Council of Van Hien University
Dien Bien Phu, District 3, Ho Chi Minh City, Vietnam
